RE: IA Health Link - Managed Care Wraparound Payments - Clarification of Data Source for IME Form 470-5419

EFFECTIVE: Immediately

Informational Letter [1779-MC-FFS-D](#)¹ issued on March 15, 2017, addressed IA Health Link Managed Care Wraparound Payments. Below is a clarification regarding the data source for wraparound payment requests for supporting documentation.

Clarification of Data Source for Wraparound Supporting Claims Detail (IME Form 470-5419):

Beginning with wraparound payment requests for the quarter ending June 30, 2017, providers will no longer receive supporting claims detail files from the Managed Care Organizations (MCOs). Providers will instead need to rely on their remittance advices and billing systems to gather the necessary data to complete IME [Form 470-5419](#)². Instructions for completing the form were included in Informational Letter [1779-MC-FFS-D](#).

For the quarters ending on or prior to March 31, 2017, providers will still request their supporting claims detail files from the applicable MCOs.

If you have any questions, please contact the IME Provider Cost Audit Unit at 1-866-863-8610, locally in Des Moines at 515-256-4610, or by email at costaudit@dhs.state.ia.us.
